[Hook: pusha t]

Beef is best served like steak  
Well done get a gun in your face, bitch nigga  
Beef will have you praying to god  
Move your kids have you hiding your mom  
Beef is when you hide behind them other niggas  
But they ain't killers they ain't pullin them triggers, fuck  
niggas  
Beef will have you keying our cars  
Heartbroke yours don't look like ours

Them niggas ain't dying for you x2

Throwing that flag up running around you hot shit  
Taking half of everything you get

Them niggas ain't dying for you x2

[Verse 1: pusha t]

Contract all fucked up  
I guess that means you all fucked up  
You signed to one nigga that signed to another nigga  
that's signed to three niggas  
Now that's bad luck  
Damn that shit even the odds now  
You better off selling this hard now  
You call it living out your dreams  
You can't fly without your wings  
You get it  
Jeremy scott's are camouflaged  
You can't hide it from yourselves career sabotaged  
I was really in that travel lodge  
You just lying through your catalogs  
Where the blood and the battle scars?  
We the ones that judge juggling the gavels on  
Put me to the body  
First 48 put us to them bodies  
Round here we don't play that  
A to the k that, spray that, lay back  
You can keep your beats, nigga  
We'd much rather share your bitch, nigga, bitch nigga

3 million can't hide that  
It shows in the homes I done tried that  
That's why you'll never be my neighbors  
Smile as you waving but we know you niggas hate us  
Fuck you playing games for?  
Don't be scared get everything you came for  
They got you talking that big shit  
Little do you know we don't miss shit  
Them niggas using you as a pawn  
You see they never loaded they guns  
Now you out here by yourself  
Ask steve jobs' wealth don't buy health

[Hook]

Them niggas ain't dying for you x2

[Pusha t]

Throwing that flag up running around you hot shit  
Taking half of everything you get

Them niggas ain't dying for you x2

[Outro: notorious b.i.g.]

What's beef? beef is when you need 2 gats to go to  
sleep  
Beef is when your moms ain't safe up in the streets  
Beef is when I see you  
Guaranteed to be in icu, one more time  
What's beef? beef is when you need 2 gats to go to  
sleep  
Beef is when your moms ain't safe up in the streets  
Beef is when I see you  
Guaranteed to be in icu, one more time
