At ten PM
I'm watching the same shows
Stuck at home again
I call my friends meet outside my window
Let the night begin

We keep this on the low
(Keep it on the low)
Nobody will know
So we gotta go
(Hush)

Hush Hush Hush
On a Saturday night
In a rush rush rush
To keep the feeling alive
Hush Hush Hush
We can run
We can hide
When you're young like us
It's all about the Hush Hush Hush
When you're young like us
It's all about the Hush Hush Hush
(Hush Hush Hush)

Truth or dare
We're out till the morning
Everyone is there
We don't care
We read over warnings
They don't make us scared

We keep this on the low (whoa oh)
So nobody will know
So we gotta go
(Hush)

Hush Hush Hush
On a Saturday night
In a rush rush rush
To keep the feeling alive
Hush Hush Hush

We can run
We can hide
When you're young like us
It's all about the Hush Hush Hush
Yeah Yeah
It's all about the Hush Hush
Hush
Yeah Yeah
Hush Hush Hush
On a Saturday night
In a rush rush rush
To keep the feeling alive
Hush Hush Hush
We can run
We can hide
When you're young like us
It's all about the Hush Hush Hush
(That's what it's all about
Hush Hush Hush
On a Saturday night
In a rush rush rush
To keep the feeling alive
(Say again)
Hush Hush Hush
We can run
We can hide
When you're young like us
It's all about the Hush Hush Hush
