Hey whats up its nick right here  
Let me make just one thing clear  
We have a show coming near  
So make sure you bring all your peers  
Its on February 1 4  
Ill see you on the dance floor  
We'll play cover girl and more  
And well be rocking so hardcore  
The crazy donkey is so great  
So make sure you are not late  
Valentines day is the date  
You just may find your soul mate  
So ill see you there at the show  
I really hope that you all go  
If you don't then I will know  
Yeah man check my flow

Cj is the name  
And I'm here to proclaim  
3rd time at the School of Rock  
But it wont be the same  
February 27th and you'll feel like your in heaven  
Heaven? Heaven?  
Gonna rock out with my sock out  
This show is bound to be a knockout  
Gonna party like its 1979  
Before I was even a thought in my mothers mind  
Looking back everyday  
Hustlin' to get paid  
Day by day by day by day  
Its D-rock  
Now listen to my funkshway

Febuary 28th  
Gunna see ya at the crock rock  
Gunna wear a leotard  
Gunna getcha to look at my big ben clock

Don't get the crock rock mixed up with the  
alligator bangcock It's two different places just  
like that time I was in a white robe on 143 magnolia  
street

We is gunna make your hands wave to the beat  
Get out of you seat  
Make duck butter in the heat  
damn

A yo its stevey I play the guitar and make it look easy  
I was seen strolling the road just the other day  
This girl came up to me with only this to say  
"push play is my favorite band, omg its nick he's my  
favorite man"  
I said March 1st, 2009 be at the Trackside Teen Center  
cause you looking fine
