Cause every single time I
Look into the past I
Think of what we had and
It blows my mind
I just want to symbolize
How fast time can fly
Don't tell us where to go
Don't tell us to lie low
Let us move to the tides
It's the start of something new
Looking back on what we knew
We were so confined

[Chorus:]

Sha na na na
Sha na na na
Cause every other line's an exaggeration
She always makes the best of the situation
Sha na na na
Sha na na na
Cause every other line's an exaggeration
You always make the best of the situation
Living life day by day
Never time to delay
Just want to go out
And not have to worry what to say
And now it's time to say goodbye
To wondering why
Don't tell us where to go
Don't tell us to lie low
Let us move to the tides
It's the start of something new
Looking back on what we knew
Now it's time to unwind

[Chorus]

Now every single time I try to get away...
It ends up being my dismay
No, it's not okay

[Chorus x3]
