I wake up, early in the morning  
Around the crack of dawning  
Wave to my neighbors like wassup? wassup?  
And... tad it up, get bang in my truck  
Everybody in my city show me love  
Because I have the speakers going hammer  
Speakers going hammer, speakers going hammer,  
hammer, hammer, hammer  
The dough boy version... yeah

Back up in this bitch niggers free to go  
It was all good just a key ago  
Price for the 20 all I need to know  
Still moving snow like it's 3 below  
You trace hard while I keep card  
You niggers little bees to the base guard  
I've been cooking, is you mistooking?  
Shot town plug got the city junking  
Jivon she motorcycle leathers,  
Mad max 5 stacks before I look this weather  
Small circle bad bitches all think they clever  
The mix 1 whole shape and recycle better  
Sit them on a curve when I'm done with them  
She oblivious a girl wanna come with them  
Can't blame off another niggers can't run with them  
Husein bolt through these bitches then I'm done with  
them

I wake up, early in the morning  
Around the crack of dawning  
Wave to my neighbors like wassup? wassup?  
And... tad it up, get bang in my truck  
Everybody in my city show me love  
Because I have the speakers going hammer  
Speakers going hammer, speakers going hammer,  
hammer, hammer, hammer  
The dough boy version... yeah

See I could tell you ain't gonna be around long  
You ain't doing enough motherfucking homework on  
you nigger

Get it right.
