Tony montana, tony montana, tony montana, tony montana
Check about my ears
Tony montana, tony montana, tony montana, tony montana
Alright cut the... don't loose it
Tony montana, tony montana, tony montana, tony montana
You leave me to choice...
Tony montana, tony montana, tony montana, tony montana

Started with 28 grams and a hammer
Bitch look at me now, tony montana
Gave me 2 options, hell or the slammer
They forgot the third, I'm on top, antenna
Winter time, bags at the mall, bad santa
... plaza... atlanta
Twinkle toe, louis vuitton, hoes love glamour
Black and white diamonds in the chain, that's panda
Good music calendar, death jam planner
Now everybody fans, in the fields got cameras
Of white top on the coup like dandruff
Turning k's over white girls...
... that's standard,
He asked to get... 20 more, that's random
See the signs, cut the nigger short, that's cancer
Kill them and kiss his mama chick, that's manners

Tony montana, tony montana, tony montana, tony montana
Check about my ears
Tony montana, tony montana, tony montana, tony montana
Alright cut the... don't loose it
Tony montana, tony montana, tony montana, tony montana
You leave me to choice...
Tony montana, tony montana, tony montana, tony montana
