She tried to tell him what was in her head
But he seemed like he just don't care
(Just don't care)
Was it the best that he could be?
Tryng to be the worst you see
(Can't you see)
Will she have to get down on her knees
C'mon and tell her what you need
You think your money can buy what you can't see

You wanna buy...
She said bye
Bye bye baby
He had the money she had the fun
Ended up right just began
(She'll be gone)
Was it the best that he could be
Trying to be the worst you see
(Can't you see?)
The things he wanna buy, well she had them all for free
