When the kisses flowed
So easily from you to me

Dream, I'm on the outside of a dream
Praying that you could salvage me
Thy will be done

On and on and on and on
The smallest hope is never gone
My optimism always is well fed
And if I die before I wake
I pray for all of goodness sake
That you are happy where you make your bed

So I went to search
And to find out that you're married
With a sweet little child on the way
Now I can let go of this
tiny dream I carried
With me all these years

Through all my fights and all the tears

Dream, I'm on the outside of a dream
Praying that you could salvage me
Thy will be done

See, seeing the artificial lives
Something that you always denied
Now I'm the one

On and on and on and on
The smallest hope is never gone
My optimism always is well fed
And if I die before I wake
I pray for all of goodness sake
That you are happy where you make your bed

On and on and on and on
The smallest hope is never gone
my optimism always is well fed

And if I die before I wake
I pray for all of goodness sake
That you are happy where you make your bed
