#### [Verse 1]

I see you gettin jealous/  
Cuzz ya ladies want me fellas/  
So ya betta back down/  
Bofore I put you six feet unda groun/  
See standin up to me/  
That's like standin up to a nine millie/  
Put a bullet through ya chest/  
Cuzz you like an uninvited guest/  
Your girl is all on me/  
An she won't stop fillin on me/  
That girl is a phony/  
The only thing that girl wants from me is to bone me/  
She left you lonely/  
She must've had you whipped homie/  
Over the pussy you wasn't gettin/  
Me I'm jus sittin wit my dick in/  
Great sex? Yeah she can deliver/  
That bitch is a good head giver/  
She make ya cum inna sec/  
I like when she suck it from tha back/  
Bet ya neva had that/  
Me I'm neva wearin a hat/

#### [Chorus]

You jealous fools/  
Keep forgettin rules/  
But still actin cool/  
But we knowin they new/  
So who they tryin to play a fool/  
Me, I'll take'em to skool/

#### [Verse 2]

Verse 2 might be worst than the first/  
Leavin ya dry witha thirst/  
Make ya feel like ya ready to burst/  
Bein jealous mite put ya ina hearse/  
Tha rules you forgettin is liable to git ya spraied/  
Actin cool will neva git ya laid/  
Cuzz the first word ya say git ya smacked/  
G-A-M-E is wut u lack/

Ya new to the game/  
I'ma sho ya the pain/  
I'll beat ya wit my 64inch chain/  
Leave ya bleedin in tha rain/  
Throw some salt on ya to greater the pain/  
Dude I'm fuckin insane/  
I'm not right in the brian/  
Dude you fucked you layin next to propane/  
I'm fittin to pull my nine an blow in up mayne/  
I don't kno tho I'm havin second thoughts bout this  
thing/  
I think I'll torture you awhile longer/  
Wait for the pain to git alot stronger/  
Hang ya upside down by ya feet/  
Let the blood rush to ya head before my torture is  
complete/

[Chorus]  
You jealous fools/  
Keep forgettin rules/  
But still actin cool/  
But we knowin they new/  
So who they tryin to play a fool/  
Me, I'll take'em to skool/

[Verse 3]  
You mad that I'm fuckin your girl/  
You ever hit her I'ma have to kill/  
You, put ya in tha hospital as 1st warning/  
I kno when ya get out you goin come out stoming/  
Commin to my cirb wit an M16/  
Wit a childesh ass dream/  
To make me dissapear/  
Jus incase you didnt hear/  
I'll make ya beg for mercy/  
Leave ya in tha sahara dry an thirsty/  
If I shoot you I'll shoot you in the knee/  
Jus so I can watch you beggin me/  
Not to kill you/  
Your sister I drilled too/  
Did them both at the same time/  
After we were done we smoked a dime/  
Killin you would be just a waste of my time/  
Seein you cry now that's worth my time/  
I jus hope it scares the jealousy out of you/  
Other wise I'ma have to beat the shit out of you/  
An that's not sumthin I wanna do/  
Fuck it I'll just put a bullet through you/  
Jus to end this shit/  
While your sister an girl suckin my dick/

[Chorus x2]  
You jealous fools/  
Keep forgettin rules/  
But still actin cool/  
But we knowin they new/  
So who they tryin to play a fool/  
Me, I'll take'em to skool/
