Hey, well, I'm the friendly stranger in the black sedan,
won't you hop inside my car?
I got pictures, got candy,
I'm a lovable man, and I can take you to the nearest
star.
I'm your vehicle baby, I'll take you anywhere you wanna
go, I'm your vehicle woman, by that I'm sure you know...
That I love you. I need you.
I want you, got to have you child. Great God in Heaven ,
you know I love you.
Well if you want to be a movie star, I can a-take you to
a-Hollywood. And if you wanna stay just like you are,
you know I think you a-really should.
I'm your vehicle, baby, I'll take you anywhere you
wanna go, I'm your vehicle, baby, by that I'm sure you
know.
That I love you, I need you I love you Got ta have you
child.
Great God in heaven you know I love you.
Repeat 1st verse.
