Your Daddy has been looking while Mammy stayed  
inside  
And if you ever show up before the morning light  
Everything that's said and done is not your point of  
view.  
You stayed the whole night through with your friend  
Jeany -  
Teenage Queenie.  
You may be good looking but you don't know how to be  
-  
Your wardrobe's always empty.  
And no'one '11 ever see you've been growing for some  
time  
Had lovers quite a few.  
Now all you ever do is being dreamy - Teenage  
Queenie.  
Teenage Queenie  
you're lost every night  
And your Mammy worried your Daddy's uptight.  
Teenage Queenie  
you still gotta grow  
But if you wanny be free it's a long time to go.

You like to hear the music - dance on the beat

Where ever it goes slowly it's not your kind of speed.  
Your sister has been seeing you in some big shining  
car  
He owned the bar a fellah called Rossini - Teenage  
Queenie.
