Cash is king and I ain't lying

Had a little money didnt really want it  
Got a little more I'm gonna flaunt it  
Drink, my kid, meet my friends  
Got a brand new ride  
(Two-lease package on the side)  
Crown Vic bought her on the block  
Cash is king and kitten walks

Yeah yeah yeah  
Yeah yeah yeah yeah yeah (x2)

Tried a weekend except the cat is singing  
Little kittens he's a ringin'  
Rattlin El Camino keys  
Singin St. James Infirmary  
Let it go let it go god bless her  
Wherever she may be  
Saddle bus pick up a stranger  
Where's that football pride?  
(Your community now)  
Your party style  
(And your rotary smile)  
My Crown Vic rocks  
Cash is king and kitten...  
Cash is king and kitten...  
Cash is king and kitten walks
