Got a hottie in the hole  
Met a cop pit core  
Smiled like a whore  
Got a punk rock girl with a rocking bull  
Poor man's smile at the Lincoln Mall  
She stinks of free perfume  
Pancake death pain sweet dreams no thrills  
Make over anyone

(Chorus)

I've been weak I'm gettin weaker  
Since you've been gone you look sleeker  
Leaner, liquid, luscious, lusty  
Close to foreign, almost dusky  
Dirty, distant, misty manic  
Kind of pleasantly Satanic

Hail! Hail! Hail! Hail! Hail! (x4)

Hail Hail to you and him  
Drive my car to your midnight swim  
Pressed to you as you drink my beer  
And you play my tapes with your legs in the air  
My head is clear my head is clean  
I saw tomorrow today  
Remember those betoken days  
Remember those malignant nights  
Remember those remote days  
Remember those revolting nights  
Remember those polluted days  
Remember those malignant nights  
Remember those benign nights  
Remember those malignant days

I don't wanna be alone with you  
But I don't wanna be alone
