:: Refren (Laura) ::

Fara tine vreau sa-ncep o viata noua  
Nu conteaza daca-mi rupi inima-n doua  
Chiar nu mai suport pe strada mea sa ploua  
Vreau o viata noua, o viata noua

:: Strofa 1 (Puya) ::

I told you to shut up, you don't know what you're doing  
You forgot where you started from, you're making me very angry  
You forgot how your house used to look like  
When I brought you here, you were dressed with Turkish clothes (meaning of low quality)  
What are you saying? I'm not good enough anymore? (Ha ha)  
What are you saying? That you have fallen in love on the way?  
Is this your gratitude? I didn't think you were like this  
Now you tell me you don't want me, that you've found love  
Tell me! What makes him better than me?  
Tell me! Why do you think you'll be better?  
I've put gold around your neck, I've traveled with you all over  
I have never hit you, never cursed you  
Now I see, I've been too nice to you  
My darling, it's obvious you took it for granted (not exactly literal)  
Get back in bed, do what you've learned  
Do your job...

:: Refren (Laura) (2x) ::

Fara tine vreau sa-ncep o viata noua  
Nu conteaza daca-mi rupi inima-n doua  
Chiar nu mai suport pe strada mea sa ploua  
Vreau o viata noua, o viata noua

:: Strofa 2 (Keo & Puya) ::

Tu..Nu m-auzi..Cand iti spun..Te iubesc si imi doresc  
Sa uitam.. Tot ce-a fost.. Din trecut sa te rapesc  
Stiu ca vrei.. Altceva.. Viata ta o pot schimba  
Pot sa-ti dau.. Tot ce vrei.. De acum fi doar a mea

Langa mine poti sa-ncepi o viata noua  
Nu, nu ezita nu ma refuza  
Niciodata n-o sa-ti rup inima-n doua  
Nu, de langa mine nu pleca

Puya:

You tell me you don't need money, you want love  
That you'll gonna give me back the bags, the rings  
The car, everything, you've changed  
You tell me you've found a real man  
Remember the way you met him  
You tell me it doesn't matter, that he cares about you a lot  
Haha...You're so stupid, remember...  
"I'm looking for a generous man, for a hot night"  
That's how your dating announcement sounded like  
Can't you understand, the man wanted some relaxation  
It's like a game for him, a game of luck  
Just when things were going so well between us, you give up on everything  
Come, don't cry, get into the car, it's raining  
You're pathetic, can't you see it almost 2 am?  
You're no Julia Roberts, he's no Richard Gere  
It will end badly, this is no movie  
It's not a movie  
It's not a movie  
It's not a movie
