[Music & Lyrics: Flo V. Schwarz]

It's not a proper situation - in my mind  
No need to canvass all these stations  
I can't find another way to ask  
if you do feel the same as I do for you  
I need an answer now - answer now!  
Oho, oho, oho, oho, oho - Don't you say maybe  
Oho, oho, oho, oho, oho - Don't you say maybe  
Your answer may be a perspective - in my live  
It also could be too destructive - I can't  
Find another way to ask if you fell  
the same as I do for you  
I need an answer now  
answer now!  
Oho, oho, oho, oho, oho - Don't you say maybe  
Oho, oho, oho, oho, oho - Don't you say maybe
