I'm lying motionless among  
The onlookers at the shore  
Eternity fills my heart -  
Expectations starve

Now it's on my, it's on me, it's on me  
When I try to understand  
It's on me, it's on me, it's on me -  
It's on me now

The mood is pregnant - the air begins  
To melt - the aim of life is so unreal  
I feel so sad inside my heart  
I feel so sad inside my soul

Now it's on me, it's on me -  
When I try to understand  
It's on me, it's on me, it's on me  
It's on me now
