[Music: Flo V. Schwarz, T. Eiermann & W. Maier / Lyrics:  
T. Eiermann]

I'm wishing for the rain to come  
Don't waste our time, too much to say  
Oh, I'm so tired ,can't overlook  
The way you sometimes act

[1CH.:]

Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bomb

Right here, right now I like it raw  
I'd like to burn it. Yes I want more  
A shameless lady, friend or foe  
Too high to touch me low

[1CH.:]

Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bomb

[2CH.:]

Du dub dub dub dub  
Du dub dub dub dub  
Du dub dub dub dub doe

I will let you down today  
Please let me help to find your way  
A shameless lady, friend or foe  
Too high to touch me low

[1CH.:]

Baby, rock me, don't be lazy  
I really hope you will 'coz I need the thrill  
My lady-she's the bomb

[2CH.:]

Du dub dub dub dub  
Du dub dub dub dub  
Du dub dub dub dub doe
