Why, why, why babe
And that's the ways of the world, yeah
Not struggle right but we'll ride
We'll ride, will...

Hey yo, you feel me right, high, you don't know what I
say
You're charging up the phone and keep it with our
hoes and your brain
But that bitch keep dying like our favorite people
I had your girl fold up on her way to save you
And yo, it's fucked up, what? I say happy that is
Like that nigga with no lawyer trying to battle that big
Like that single parent mother trying to handle that kid
Don't get the just got dyslexia handle that...
Got it backwards, 9 to 5 I whack shit, minimal wage
You get paid to make a... and I said
I put that on the power, I put this on the hood
Wake up bitch, say fuck the world when I get my
morning would
Say my prayers, say goodnight, ain't shit fair, ain't
shit nice
I take it there, pay the price, the anywhere to make this
right!
But I know how it is, be surprised if he's changed
Bitch is trying to get sane, but niggas trying to get paid

Hook:

I say the average day is bold, but that's the way it
goes
And that's the way of the world!
I say ain't shit sweet, trying to make it as meat
But that's the way of the world!
You say your shoulder got a tip, but I told you how I get
Cause that's the way of the world!
Do what you got to do to make it hard for you
Because that's the way of the world!

You know the weather breaking records
Tell me when we get the rain!
I say play on, player you know this shit again

Like your girls say she pregnant for she take a test
Think you're making love until you make a mess
Niggas dropping out of college throw their chance
away
Can't pay tuition shit, how much... to get you pay?
I know I made enough mistakes, I'm trying to learn
from them
Missing people that I grew up with and I ain't heard
from them
Sometimes I go outside and wonder where you're
I'm at
Sometimes rehearsal time is good to tell them, "yeah,
I'm back! "Where I'm from, these fucking feelings nigga live or
die
Getting quiet, rolling up that feelings, niggas getting
high
It's a doggie dog world and I'm cool as new
Niggas ain't building, they're killing, they favor...
My nigga Chris got shot in the back
He was walking away where the...
