Come on baby, baby  
Come on

Well you could chain it, you might  
If it makes you feel fine  
You could scream and shout  
If it makes you feel happy  
Singing oh yes  
Let my baby, I let my baby, I let my  
Ah yes  
Yea baby

How come you got to make a fool of me?  
When you know it's not true to me  
Yea  
I don't know where or when you'll ever see  
But your plan keeps pulling me yea

How come you got to make a fool of me?  
When all I ever said or do is scream  
Yea yea yea  
You go and try to make a fool of me  
Oh, oh yeah (oh oh, oh oh)

We've got moving plan in my mind, aha  
I got a moment but it isn't in mind aha ah  
And if you wanna be about my all take a number, baby  
get in line  
Aha  
Cause it's a bummer in the summer time  
But everyone's gonna have a really good time  
Oh yeah

But you never hand out  
And you shake it all about  
These arms and legs, bacon and eggs  
And you can rearrange your mind  
If it makes you feel fine yea  
And you can lose your faith  
If it puts you in your place  
And you can chew on gum

If it makes you have fun  
And you can drink green soup on the way from the  
kitchen  
My worries gets a fiction

How come you got to make a fool of me?  
When you know itâ€™s not true to me  
How come you gotta go and step on my heart  
When you know thatâ€™s no way to start yea

How come you got to make a fool of me?  
When all I ever said or do is scream  
Yea yea yea  
You go and try to make a fool of me  
Oh yeah (oh oh, oh oh)

Oh I got the roofies and the discothÃ¼que inside my  
mind  
All the time, all night yea  
Doing groovy on another of those times aha ah  
And if you wanna be the alltime runner of such time  
Baby drop to keep on wining all night  
Because youâ€™re freaking me out  
And bring it down  
Everyoneâ€™s vibes yea aha ah

Oh yeah, oh yeah  
Oh yeah, oh yeah  
Break it
