Invocation

you that create the diversity of the forms  
open to my words  
you that divide and multiply it  
hear my sounds  
I make yield league to you  
ancient associates  
and fellow wanderers  
you that move the heart  
in fur and scale  
I join with you  
you that sing bright and subtle  
making shapes that my throat cannot tell  
you that harden the horn  
and make quick the eye  
you that run the fast fox and the zigzag fly  
you sizeless makers of the mole and of the whale  
aid me and I will aid you

I make a blood pact with you  
you that lift the blossom and the green branch  
you who make symmetries more true  
you who consider the angle of your limbs  
who dance in slower time  
who watch the patterns  
you rough coated who eat water  
who stretch deep and high  
with your green blood  
my red blood let it be mingled  
aid me and I will aid you

I call upon you  
you who are unconfined  
who have no shape  
who are not seen  
but only in your action  
I will call upon you  
you who have no depth  
but choose direction  
who bring what is willed

that you blow love upon the summers of my loved ones  
that you blow summers upon those loves of my love  
aid me and I will aid you

I make a pact with you  
you who are the liquidness of the waters  
and the spark of the flame  
I call upon you  
you who make fertile the soft earth  
and guard the growth of the growing things  
I make peace with you

you who are the blueness of the blue sky  
and the wrath of the storm  
I take the cup of deepness with you  
earthshakers  
and with you the sharp and the hollow hills  
I make reverence to you  
round wakefulness we  
call the earth  
I make wide eyes to you  
you who are awake  
every created thing both solid and sleepy  
or airy light  
I weave colours round you  
you who will come with me  
I will consider it beauty
