Hey you don't be silly
Put your condom on your willy,
Rich in paradise

You are

You are
You you you are

* I'm zipping up my boots
Going back to my roots
To the place of my birth
Ain't talking about no roots in the land
Talking about the roots in the man
I'm zipping up my boots
Going back to my roots

I'm homeward bound
Got my head to the ground
Going back to begin myself
I can't live for nobody else
I've been living in a world of fantasy
And I'm going back, going back to reality
I've been searching for riches I had all the time
Finding out happiness is just a state of mind
Just a state of mind
Just a state of mind

* Repeat
You could be rich in paradise

Rich in paradise

I'm homeward bound
Got my head to the ground
Going back to begin myself
I can't live for nobody else
Living in a world of fantasy
And I'm going back to reality
I've been searching for riches I had all the time
Finding out happiness is just a state of mind

Just a state of mind
Just a state of mind
