Yeah, oh yeah

He's got me so gone  
'Cause I can't stop, won't stop bouncin' off these wall  
I'm so crazy in love  
Might as well just lock me in and shut the door

'Cause I ain't gon' try to escape his sweet prison  
Oh, so what makes you think that I might need  
rescuing?

Is this how it feels? Am I losing my mind?  
'Cause everyone keeps tryin' to save me  
I'm head over heels, I can't get enough  
And I know people might call it crazy but I call it love  
I call it love, oh, oh

Ain't nothin' wrong  
I'm just out here on the edge, riskin' the fall  
So don't ask me why  
It's a fool who thinks that love makes sense at all

'Cause I ain't gon' try to escape his sweet prison  
Yeah, so don't even think that I might need rescuing

Is this how it feels? Am I losing my mind?  
'Cause everyone keeps tryin' to save me  
I'm head over heels, I can't get enough  
And I know people might call it crazy but I call it love  
I call it love, I call it love, oh oh

Don't need no cure because I'm sure  
Ain't nothin' wrong with me  
And you can't get this unless you're reckless  
'Cause what I got isn't safe

Is this how it feels? Am I losing my mind?  
'Cause everyone keeps tryin' to save me  
I'm head over heels, I can't get enough  
And I know people might call it crazy

Is this how it feels? Am I losing my mind?  
'Cause everyone keeps tryin' to save me  
I'm head over heels, I can't get enough  
And I know people might call it crazy but I call it love  
I call it love, I call it love, I call it love

But I call it love  
I call it love , I call it love, I call it love  
But I call it love, yeah, yeah  
I feel crazy, crazy in love
