"In Summer"

I wish there could be more days in summer
I wish that autumn wouldn't come so soon
Cause when the sun goes away
I'm left in the shade
I wish that you could warm me in the winter
They say springtime is so beautiful
But I see nothing but rain and short windy days

And I only feel safe
When your arms are wrapped around me
So forget the clouds I don't feel the rain
Even though the seasons may change
I see the sun when I hear your name
You give me a reason, a reason to start again

I wish there could be more days in summer
I wish that autumn wouldn't come so soon
Cause when the sun goes away
I'm left in the shade
I love to see the leaves fall in September
And the snow drops in December just the same
But it leaves me in a daze
Can't wait to see your face

And I only feel safe
When I'm in your arms it's another day for us to
eascape
It won't be too long 'til love finds it's way to start again
And I only feel safe
When I'm in your arms it's another day for us to
eascape
It won't be too long 'til love finds it's way to start again

So forget the clouds I don't feel the rain
Even though the seasons may change
I see the sun when I hear your name
You give me a reason, a reason to start again

All through the year
Long after sunny days have gone away
You shine your rays on me

So forget the clouds I don't feel the rain
Even though the four seasons may change
I see the sun when I hear your name
You give me a reason, a reason to start again
