Come fly away with me
Close your eyes and find
A place to dream, dreamland reality

That's why I'm here
That's where I bring
Oceans of creation
Haunt over haunt me

Memory they I did not suffer
And the pain won't hurt me anymore
Memory and I am forever
Again by everything and I still to my love
Let me bleed for you

I'm in hell to make a sacrifice
I held all the purity with the bloody knife

What I have seen
Where I have been
A land that I create
Miracle indeed

Memory they I did not suffer
And the pain won't hurt me anymore
Memory and I am forever
Again by everything and I still to my love
Let me bleed for you

No time to waste
Only time to treasure
And I do every single day for every hour
Dreaming dream of memory
Words goodbye
My love, my life
A ghost in their eyes

No time to waste
Only time to treasure
I creating memories that may last forever
Sounds and the pictures that I grow through time
My love, my life

Never seen in their eyes
