if your gonna save the day,and ur hearin what i say
i feel ur touch,ur kiss its not enough..and if u believe in
me
dont think my loves not for real..i wont take nothin less
then a deeper love

let me tell u,u no i,i need a miracle
i need a miracle,its more physical then what i need to
feel from u
repeat

tell me that u understand,and ull take me as i am,ull
always be the
one to give me everything,jus when i thought noone
cared,ur
the answer to my prayer,u lift my spirits high come on
and rescue me!!!
repeat chorus
