You, you've got that sweet emotion
That sick, sick, sick attraction
And I, I can't get enough, No.

Love rush, here it comes, gonna kiss the sky.
Never gonna get me down cause I'm too high.
And when it's done, I'll just hit rewind.
And play it back every time I close my eyes.

I'm the one you're looking for.
I'm the one that you adore.
I'm the one that wants you more.
I'm the one that - Ah Ah

I'm the one you dream about.
I'm the one that makes you shout.
I'm the one that spins you round.
I'm the one that - Ah Ah
I'm the one.

You, you always keep me guessing.
You're one, one in a million.
And I, I can't keep it straight, No.

Love rush, here it comes, gonna kiss the sky.
Never gonna get me down cause I'm too high.
And when it's done, I'll just hit rewind.
And play it back like a movie in my mind.

I'm the one you're looking for.
I'm the one that you adore.
I'm the one that wants you more.
I'm the one that - Ah Ah

I'm the one you dream about.
I'm the one that makes you shout.
I'm the one that spins you round.
I'm the one that - Ah Ah
I'm the one.
