From dizzy heights and expectations  
Why do I hit the ground so hard?

When it's clear to you  
I'll be near to you  
I will be around  
When it's clear to you  
I'll be near to you

I won't let you down

I look for the good in everything  
It hurts when I cannot find it  
I don't want to wear a suit of armor  
Do I have to come out fighting?

When it's clear to you  
I'll be near to you  
I will be around...  
I was wishing you would not be let down  
I'd hoped you would not be disappointed at all
