As i look into your eyes V1  
I can see the deciet and lies  
There is living prove  
you cannot tell the truth.

As you lay next to her V2  
stroking her hair you prefere  
to keep me in the dark  
My heart bears the mark

Some how somewhere BRIDGE  
you stay there forgetting  
im here lonely  
just want you to hold me  
and be here for me baby  
oh why cant i be enough.

I cannot live with you CHORUS  
i cannot live without you  
Tears running down my face  
My heads all over the place  
Tell me why cant you see  
your heart was ment for me  
i cannot let go  
baby you best know i miss you so

As the phone lays in my hand V3  
ltry my upmost to understand  
how our love went so wrong  
were together for so long

As you kiss her on her cheek V4  
it makes me tremble when i speak  
hearing you on the phone  
i need you back home

REPEAT BRIDGE TWICE  
CHORUS THREE TIMES

Why oh why coz i miss you so.
