Some are bad (Couldn't stop the tears)  
For each one (Thank the Lord that we have been)  
Just be glad (Together through the years)

Whenever I review  
The lovin' times with you  
I wouldn't change a single page  
We've lived through.  
It wasn't always smooth  
Sometimes we'd jump the groove  
We've shed some tears and then  
Loved again.

Years may come (Many years are still ahead)  
Years may go (Many years have passed)  
Some go fast (They belong to yesterday)  
Some go slow (Still the memories last)  
Some are good (Couldn't stop the laughter flowing)

Some are bad (Couldn't stop the tears)  
For each one (Thank the Lord that we have been)  
Just be glad (Together through the years)

Heartaches I don't doubt  
Life's sure to dish us out.  
We'll beat the lot and that is what  
Life's all about.  
Whatever may come true  
Ahead for me and you  
Some day it all will be  
Memories.

Years may come (Many years are still ahead)  
Years may go (Many years have passed)  
Some go fast (They belong to yesterday)  
Some go slow (Still the memories last)  
Some are good (Couldn't stop the laughter flowing)  
Some are bad (Couldn't stop the tears)  
For each one (Thank the Lord that we have been)  
Just be glad (Together through the years)
