When I was a child the story would say  
Somebody would sweep you off your feet someday  
That's what I hoped would happen with you  
More than you could know

I wanted to tell you that my heart's in your hands  
I prayed for the day that I would get the chance  
Just when I worked up the courage to try, much to my  
surprise  
You had somebody else 'cause these feelings I keep to  
myself

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

From the moment I wake up 'til I fall asleep  
I imagine you not with her but with me  
Talking and laughing, sharing our dreams it's just a  
fantasy  
'Cause you had somebody else 'cause these feelings I  
keep to myself

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

A girl can dream it's true  
And to call you my own  
It's the sweetest dream in all

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream, oh, a girl can dream
