Something more beautiful
Something more beautiful
I want something more
Something more beautiful
I need something more
Something more beautiful

[CHORUS:]

I, I want something more
I want something more from you boy
You want us to be friends
I'll be losing again
Don't you know what I want from you baby
Something more beautiful

Oh baby, you got me
You got me wrapped around you
Anything you would say
Would make me go insane cuz
I think about us all the time
I'd love you forever if you were mine, ohhhh oh

[REPEAT CHORUS]

Oh baby, you know it
You've got to make your mind up
Why don't you
Just tell me what you are waiting for cuz
I think about us all the time (ohhhh oh)
I'd love you forever if you were mine ohhhh oh

[REPEAT CHORUS]

I (I) I want something more (more)

I want something more from you boy (more from you
boy)
You want us to be friends
I'll be losing again
Don't you know what I want from you baby (baby)
Something more beautiful

Ooooo
I want us to be more than friends
My love for you would never end
If only you believed
Baby can't you see
It's got to be here with me

I (I) I want something more (more)
I want something more from you boy (more from you
boy)
You want us to be friends
I'll be losing again
Don't you know what I want from you baby (don't you
know what I want from you)
Something more beautiful (beautifuuuuuuuuulllllllll)

I (I) I want something more (more)
I want something more from you boy (more from you
boy)
You want us to be friends
I'll be losing again
Don't you know what I want from you baby (baby)
Something more beautiful
