Ohhhhh

I see that look of passion  
All in your eyes  
Late at night you've been creepin'  
To my surprise  
Better get your heart in check  
You better realize  
My feelings can't be tampered with  
We might have to cut the ties  
We don't know just how far  
We could go  
Only time will tell  
Is it yeah yeah yeah yeah yeah  
We better be sure  
Is it no no no no no

*[CHORUS:]*

Baby let's walk before we run (walk before we run)  
Takin' it slow is half the fun (take it slow)  
Because this feeling's just begun (ohh)  
Baby let's walk before we run  
Walk before we run

You say you're dyin' for what your body needs  
Don't wanna lead you on  
I don't want no people teased

But I like the way you're playing  
That old school game  
I don't want this thing to be the same old same  
We don't know just how far we could go  
Only time will tell  
Is it yeah yeah yeah yeah yeah  
Time will tell  
Is it no no no no no

*[REPEAT CHORUS 2x's]*

Baby if we rush  
The moment that we touch  
We might get swept away

And if hesitate  
It still won't be too lat  
And then I know you'll stay

*[REPEAT CHORUS]*

Baby let's walk before we run (walk before we run)  
Takin' it slow is half the fun (ohh, take it slow)  
Because this feeling's just begun  
Baby let's walk  
Baby let's walk  
Baby let's walk
