Weak....ohhhhhh

Tell me what .. should I do ..

try to keep my cool, cause you know i'm feeling you

I can't keep my eye's off of you..

(everytime you come around , I just wanna make you mine)

Everything you say to me .. I get so weak in the knees

I can't hardly speak.. now baby i see it's really starting to get to me

And i can't let my feelings show....

Baby can't you see what you do to me

I can't get you off my mind (mind)

My world starts spinning and my heart starts beating over time

Ohh baby

Chorus:

Everytime you come around I get weak

I get so excited boy you know I can't speak..

So tell me whata girl should do cause ..oh baby, baby you know

You keep on turning me on

Everytime you come around, I try to let you know, I get emotional..

I can't explain whats inside of me

Oh baby , baby I get weak

weak...you get me weak yeah, yeah, yeah..ahhhhhh

Baby don't you know , how you make me feel

I get excited when I see you coming over here

cause you really got a (hold on me) I could'nt let it go even if I wanted to...(everytime I see you smile)

I get a feeling down deep inside ohh baby

it let's me know that you're the one for me

..Oh baby

Baby can you see, what you do to me

I can't get you off my mind

One day you'll see that i will make you mine

make you mine...make you mine

Chorus:

Everytime you come around I get weak

I get so excited boy you know I can't speak..

So tell me whata girl should do cause ..oh baby, baby you know

You keep on turning me on
Everytime you come around, i try to let you know, i get
emotional..
I can't explain whats inside of me
Oh baby , baby I get weak
I never felt this way before
But i should have known (known)
I would fall so deep in love with only you
And my friends keep telling me
That i should get over
get over being a fool but I can't cause I'm inlove with
you
(weak)
Chorus:
Everytime you come around I get weak
I get so excited boy you know I can't speak..
So tell me whata girl should do cause ..oh baby, baby
you know
You keep on turning me on
Everytime you come around, i try to let you know, i get
emotional..
I can't explain whats inside of me
Oh baby , baby I get weak
[Repeat until fade]
