P.Y.T.

You Don't Know

Chorus:

You don't know what you're doin' to me
Got me feelin' so good from my head to my feet
Keep it right there baby, baby bring the heat
You don't know what you're doin' to me

Chorus:

You don't know what you're doin' to me
Got me feelin' so good from my head to my feet
Keep it right there baby, baby bring the heat
You don't know what you're doin' to me
Everytime I see you boy, you look so fine
And the way that you smile you blow my mind
I'm kinda crazy when it comes to you (you you you you)
If I had a dollar for my butterflies
I'd be a millionaire with you by my side
But I'm so afraid of you rejecting me
So I just dream

Chorus:

You don't know what you're doin' to me
Got me feelin' so good from my head to my feet
Keep it right there baby, baby bring the heat
You don't know what you're doin' to me

Chorus:

You don't know what you're doin' to me
Got me feelin' so good from my head to my feet
Keep it right there baby, baby bring the heat
You don't know what you're doin' to me
All I do in my room is fanatsize
And I never want to comprimize...
