How can I ever live without you
Without my dreams to come true
Now I am only feeling blue
Lovers should not be apart
Empty feelings grow slowly in my heart

60 days and nights Iâ€™ve been here all alone
60 days and nights Iâ€™ve loved you more and more
60 days and nights I have seen the dark
60 days and nights Iâ€™ve been looking for the light

Do you love me as much as I love you
Do you miss me as much as I miss you
How many days must go on, before I can love you
again
Time is right now, time is right for love now

60 days and nights Iâ€™ve been here all alone
60 days and nights Iâ€™ve loved you more and more
60 days and nights I have seen the dark
60 days and nights Iâ€™ve been looking for the light

Time can often be cruel, treat you very bad
Love can often be cool, also get you sad
Donâ€™t you turn away, come back today
Just a few days more and Iâ€™ll be back to you to stay

60 days and nights Iâ€™ve been here all alone
60 days and nights Iâ€™ve loved you more and more
60 days and nights I have seen the dark
60 days and nights Iâ€™ve been looking for the light
