Just another lonely night and another silly song
I don't know where it all went wrong
Don't ask me what Iâve done, I can tell you I never
know
Can you please explain to me what I donât see

Itâs another lonely night, when you are out of sight
Itâs another lonely night, and I donât feel so very
right
Itâs another lonely night, no sign of a light tonight

Walking thru the day, miss you and you didn't say a
word
What am I supposed to do, should I keep on feeling
blue
I donât know if itâs true when you said you loved me
But if itâs true please help me thru the night

Itâs another lonely night, when you are out of sight
Itâs another lonely night, and I donât feel so very
right
Itâs another lonely night, no sign of a light tonight
Tonight mmm tonight

Empty cold night, four empty rocking chairs,
Four cold walls, feels like a hammer ram me right down
This time baby, I have gone much to far
The judgement day, that puts me into a painful black
night

Itâs another lonely night, when you are out of sight
Itâs another lonely night, I donât feel so very right
Itâs another lonely night, no sign of a light tonight
