You - with your brown eyes - deep like a deep Forest in  
motion  
your hair - golden as the sunrise in the east

(I) take a look at your neck - charming and clear like the  
snow  
your breasts are looking like the crown of (all) creation

sensitive as the skin of a baby To taste them is sweeter  
then the sweetest honey

Ref.:

My sweet blonde

You're taking my breath

You're above my head

You're the best I've ever had

I'm head over heels in Love - My sweet blonde

2nd First time our eyes met - I've known it from the start

first time we touched - I thought I was in Heaven

It happened during the game of all games  
my hands are trembling if I only think of

when our lips felt each other - I was so sure -  
I wanna hold you to the rest of my life

Ref.:

My sweet blonde

You're taking my breath

You're above my head

You're the best I've ever had

I'm head over heels in Love - My sweet blonde

SOLO

ZWISCHENTEIL:

Babe - I'll walk the wire for you  
There's nothing like the run of the mill

I wanna touch you -

kiss you -

hold you -

feel you -
