(M: Q-Fish / T: P.Althoff)

They say: In god we trust
believe him and you're allright
you told me that you need - much more time
to trust in me - but you'll never do
something has happened with u in the past
was it my fault? If not what's wrong ?

Ref.:

Trust in me,
c'mon honey trust in me
don't put your head in the sand - so fast
trust is everything - so don't give up -
and trust !

2nd

I'm not the bad man who has hurt you
don't transfer the past in me
you shouldn't end something before it has begun
but you did - you're cowardly !
every time the phone rings - I hope it's you
I can't stand it anymore - let the bell sing !

Ref.:

Trust in me,
c'mon honey trust in me
don't put your head in the sand - so fast
trust is everything - so don't give up -
and trust !

Bridge:

At the end of the game I'm standing here -
with the incredible nothing in my hands!
Was it my fault ?
If not - tell my what was wrong ?
If not - tell me why you were gone ?
so what about staying with me?
so what about trusting in me?
So what about believing in me?

Ref.:

Trust in me,
c'mon honey trust in me
don't put your head in the sand - so fast
trust is everything - so don't give up -
and trust !

Ref.:

Trust in me,
c'mon honey trust in me
don't put your head in the sand - so fast
trust is everything - so don't give up -
and trust !
