I'd like to love you baby and keep my other baby too Put  
my arms around you, that's all I want to do If the sun  
don't shine tomorrow, I know I've got you I'd like to love  
you baby and keep my other baby too Sometimes my  
baby's sleeping, sometimes she's not around  
Sometimes I look to find her, I know she'll put me down  
Oh, won't you let me hold you, let me lean on you I'd  
like to love you baby and keep my other baby too If the  
sun don't shine tomorrow, I know I've got you I'd like to  
love you baby and keep my other baby too
