They told you dreamers are never achievers
It's too far up to the sky
The higher you reach, the harder you fall
Well I say that's a lie
There's so much more, there's so much more
There's so much more to you

You can, you can, you can right now
Cos it's a time of wonder
You can, you can, you can right now
Cos it's a time of wonder

You think it's not easy, you have to special
Well I'm daring you to try
Imagine, and choose it, allow it to happen
Tomorrow is in your eyes
There's so much more, there's so much more
There's so much more to you
You see the door, go through the door
It's waiting there for you

You can, you can, you can right now
Cos it's a time of wonder
You can, you can, you can right now
Cos it's a time of wonder

In a time of miracles anything can happen
In a time of wonder you can ride your dreams
Making space for miracles
Anything can happen
In a time, a time of wonder (wonder)

You can, you can, you can right now
Cos it's a time of wonder
You can, you can, you can right now
Cos it's a time of wonder
