You told me, I see you rise  
But, it always falls  
I see you come, I see you go  
You say, "All things pass into the night"  
And I say, "Oh no sir I must say you're wrong"  
I must disagree, oh no sir, I must say you're wrong  
"Won't you listen to me"  
You told me, I've seen it all before  
Been there, I've seen my hopes and dreams  
A lying on the ground  
I've seen the sky just begin to fall  
And you say, "All things pass into the night"  
And I say, "Oh no sir, I must say you're wrong"  
I must disagree, oh no sir, I must say you're wrong  
"Won't you listen to me"  
Good-bye horses I'm lying over you  
Good-bye horses I'm lying over you
