Oooooooooooooooooo

Oooooooooooooooooo

You told me, I see the rise
But, it always falls
I see them come, I see them go
You say, "All things pass into the night"
And I say, "Oh no sir I must say you're wrong
I must disagree, oh no sir, I must say you're wrong"
Won't you listen to me

You told me, I've seen it all before
I been there, I've seen my hopes and dreams
Lying on the ground

I've seen the sky just begin to fall

And you say, "All things pass into the night"
And I say, "Oh no sir, I must say you're wrong
I must disagree, oh no sir, I must say you're wrong"
Won't you listen to me

[2x]

Good-bye horses, I'm flying over you
Good-bye horses, I'm flying over you
Good-bye horses, I'm flying over you
Good-bye horses, I'm flying, flying, flying over you

Oooooooooooooooooo
