Chorus:

Enjoy yourself
Enjoy yourself
Enjoy yourself with me

Enjoy yourself
Enjoy yourself
Enjoy yourself with me

You better enjoy yourself
You better enjoy yourself

You sittin over there
Starin into space
While people are dancin'
Dancin all over the place

You shouldnt worry about things you can't control
Come on girl while the night is young
Why dont ya mix up the place, let it go

[Chorus]

Let's have some fun
Let's have a good time you and me
Sittin there with your mouth poked out
Just sweet as you can be

Why dontcha live, live the life ya got
Come on girl let's spin it
While the music's live and hot..whoo!

[Chorus]

Jackie: Baby girl I've been watchin you?
I can wipe away that frown
Ahh you and I can get together

We can tear the house down
Or we can tear the house down
Or we can tear the whole house down..whoo!

[Chorus]
