Ahhh, I love it
Ooww, this is especially for me

Baby, oh baby
Baby, oh baby
Baby, oh baby

No I don't want to be
With anyone else you see
Cause you were made especially for me
No no no

No I don't wanna be
With anyone else you see
Cause you were made especially for me

Don't ever go away little darling
Don't ever say goodbye
Cause just the thought of being without you
Makes me want to cry

No I don't wanna be
With anyone else you see
Cause you were made especially for me
No no no no

No I don't wanna be
With anyone else you see
Cause you were made especially for me

You're definitely my kinda lovin'
My order to a T
You know how to keep me satisfied
You give me what I need

No I don't wanna be
With anyone else you see
Cause you were made especially for me

No I don't wanna be
With anyone else you see

Cause you were made especially for me

Yea, Yea, Yea

Darling, baby

No I don't wanna be

With anyone else you see

Cause you were made especially for me
