I Found That Girl  
The Jackson Five  
(words & music by The Corporation)

Mama, Oh Mama, I found that girl;  
Mama oh Mama I found that girl.

Mama, life for me now is a new sensation  
just like you said it would be, with the right situation.  
Now love has meaning and I have a goal;  
this feeling inside now makes yester-me a hundred  
years old,  
now I understand what it is to be a man.  
The way you explained it to me that day,  
you said only the right girl could make me feel this  
way, well,

Mama I think I found that girl,  
yeah, mama, I think I found that girl.

Mama, she that beautiful dream that I dream each  
night,  
she's that bird of love on whose wings I'm in flight.  
She's those words left when there's no more to say,  
she's my sunshine at the end of a perfect day.  
All this lets find a reason to be alive.  
That day when you set me upon your knee  
you said the only the right girl could be all these things,

Mama, I think I found that girl;  
well mama, I think I found that girl.

She said, "Son, go on and search around,  
there's a good girls whose out there to be found;" and

Mama I think I found that girl;  
well, mama I think I found that girl.

Mama, Oh Mama, I found that girl;  
Mama oh Mama I found that girl.  
(repeat and fade with lead vocal ad lib)
