Could it be I stayed away too long?  
Did I leave your mind when I was gone?  
It's not my thing trying get back  
But this time let me tell you where I'm at

You don't have to worry cause I'm comin'  
Back to where I should have always stayed  
And now I've heard the maybe to your story  
And it's enough, love, for me stay

Could it be I stayed away too long?  
Did I leave your mind when I was gone?  
It's not my thing trying get back  
But this time let me tell you where I'm at

Chorus:

I wanna, wanna be where you are, oh oh  
Anywhere you are, oh oh  
I wanna wanna be where you are, oh oh  
Everywhere you are, oh oh

Please, don't close the door to our future  
There's so many things we haven't tried  
I could love you better than I used to  
And give you all the love I have inside

[Instrumental]

Chorus:

(Oooh!!)

I wanna, wanna be where you are, oh oh  
Any, any, anywhere you are, oh oh  
I wanna wanna be where you are, oh oh  
I gotta be where you are, oh oh

I wanna be...

I wanna be... oh, oh

Yeah yeah, baby now

I wanna be...

I wanna be... oh., oh

Oooh

I wanna be...  
I wanna be... ohoh  
Now, now, yeah baby  
Ooh  
I wanna be...  
I wanna be.. ohoh  
Yeah, yeah, baby now  
Ooh
