Too Late  
Too Late  
Too Late

[VERSE 1]

In this automatic age,  
We shop through the yellow page  
Gone is the corner store,  
There's a supermarket there for ya

People give way to change,  
But feelings remain the same

[Chorus]

And it's Too late, Too late to change the time  
Well it's Too late, Too late to change the time  
And it's Too late, Too late to change the time

But it's not too late (too late) to change your mind

[VERSE 2]

It's a newer day, and a new age  
A photograph just taken,  
Is ready one minute later

Cars are bigger and better,  
But the manufacturer's satisfied, never  
In a world full of crime,  
I can't let you think that's right

[CHORUS]

And it's Too late, Too late to change the time  
And it's Too late, Too late to change the time  
And it's Too late, Too late to change the time

But it's not too late (too late) to change your mind, no  
no

[VERSE 3]

So you wanna be a star (Say you wanna be a star)  
Already think you are (I think you are)

You don't have to go further...  
Than my lovin' arms

[CHORUS]

And it's Too late, Too late to change the time

But it's not too late (too late) to change your mind

[VERSE 4]

Are you sure you wanna go to New York City? (New York  
City)

Where girls make it big, if they're pretty (If they're  
pretty)

Let's say you get that penthouse view

But who's gonna love you,

The way I do? (Just the way I do)

[CHORUS]

It's Too late, Too late to change the time

And it's Too late, Too late to change the time, no

Too Late, Too late to change the time

But its not too late (too late) to change your mind

YEAH, YEAH, YEAH!!!..

It's too late, too late (Too late) To change the time

It's too late, too late (Too late) To change the time, oh

It's too late, too late To change the time

But it's not to late (too late) to change your mind

YEAH, YEAH, YEAH!
