It's your thing, do what you wanna do
I can't tell you who to sock it to
It's your thing, do what you wanna do
I can't tell you who to sock it to

It's your thing, do what you wanna do
I can't tell you who to sock it to

And if you want me to love you, maybe I will
I need you woman, it ain't no big deal
You need lovin' just as bad as I do, now
Make's me no difference now, I'm gonna give away

It's your thing, do what you wanna do
I can't tell you who to sock it to
It's your thing, do what you wanna do
I can't tell you who to sock it to, oh yeah

I can't tell you, it's your thing, baby, do what you wanna
do
I can't tell you, who to sock it to

And if you want me to love you, maybe I will
I need you woman, it ain't no big deal
You need lovin' just as bad as I do, now
Make's me no difference now, I'm gonna give away

It's your thing, do what you wanna do
I can't tell you who to sock it to
It's your thing, do what you wanna do
I can't tell you who to sock it to, oh yeah

I can't tell you, it's your thing, girl, do what you wanna
do
There ain't no doubt about who to sock it to, oh yeah
It's your thing, do what you wanna do
I can't tell you who to sock it to

It's your thing, girl, do what you wanna do
There ain't no doubt about who to sock it to
It's your thing, do what you wanna do

I can't tell you who to sock it to, oh yeah
Do what you wanna do, I can't tell you, sock it to me, oh
yeah

It's your thing, do what you wanna do
I can't tell you who to sock it to
It's your thing, girl, do what you wanna do
I can't tell you who to sock it to

Let me hear you singin' my thing, do what you wanna
do
I can't tell you who to sock it to
It's your thing, girl, do what you wanna do
No doubt about it who I'm gonna to sock it to

Na, na, na thing, do what you wanna do
I can't tell you who to sock it to, oh yeah
Do what you wanna do, I can't tell you, sock it to me
Do what you wanna do, I can't tell you who to sock it to
