(Love is the thing you need)

Ooh, I know a fortune teller
A very freaky fella
How 'bout you like me to tell ya
(Love is the thing you need)

Let me say now

A family physician
Gave me his quick prescription
For a nice disposition
Love is the thing you need!

But, when all your frustrations
Don't receive no medication
How bad you feel
Oh, it's just unreal

Oh, you can't get no satisfaction
When your mind is overactin'
And you don't give your self the love you need

(So get on up)

And get down, down, down
With some good ol' funky, funky love
(Love is the thing you need)

Fellas!

(Love is the thing you need)

Ah, yeah,

Make you feel so good
Make your body shake like crazy
Give yourself a get and go, yeah
(Love is the thing you need) The midnight hour

(Love is the thing you need)

(Love is the thing you need)
(Love is the thing you need)

Sing it again

(Love is the thing you need)
(Love is the thing you need) When that somebody finds
you down
(Love is the thing you need)
Love comes up from underground (Love is the thing
you need)
(Love is the thing you need)

Oh, love (Oh, love)

Yeah, some people they don't know
That it's the only way to go
If you wanna live a happy, happy life yeah, yeah

Oh, there ain't no doubt about it
We just can't live without it
No we can't, no we can't
Sing it to me children

(Love is the thing you need)
One more time, yeah

(Love is the thing you need)
Yeah, yeah,

Once a day, twice a day, everyday
(Love is the thing you need)

What you say now
Once a day, twice a day, good God, everyday
(Love is the thing you need)

You gotta, gotta have love
You gotta, gotta have love
You gotta, gotta have love

Y'all know what I'm talkin' about (Love is the thing you
need)

You gotta, gotta have love
You gotta, gotta have love
You gotta, gotta have love

Love is the thing you need!

Don't you stop, don't you stop, don't you stop

Love is the thing you need!
