Miss luck, she's luck
Miss luck, luck luck
Miss luck, she's luck
Miss luck, luck luck

Miss lucky day
You stepped into my life
On this lucky day
I fell for you on sight
Girl, im so amazed
Excitement cant describe
I find I fell in love before
But never felt the feeling more

Im dreaming dreams you may come true
Luck has made me a part of you
You're in my mind in such a way
How can I forget this lucky day

Miss lucky day
You're my four-leaf clover girl
On this lucky day
You rearranged my world
From down to up
And I know that must be luck

But still I keep my fingers crossed
And hope this feeling wont be lost

Im dreaming dreams you may come true
But luck has made me a part of you
Oh, you're in my mind in such a way
How can I forget this lucky day

Miss luck, she's luck
Miss luck, luck luck
Miss luck, she's luck

Miss lucky day
You stepped into my life
[repeat]

[I wanted to be as far away from me
As the lucky charm you wear on your heart]

Miss lucky day
You stepped into my life
[repeat x2]
